**Senior Education Leader | Teaching & Learning | Student Services | Inclusion | International Schools & Higher Education**

---

## PROFESSIONAL PROFILE

---

Senior education leader and academic with 20+ years of experience across international schools and higher education in the U.S., China, Thailand, Myanmar, Australia, and Switzerland. Brings a distinctive combination of whole-school student services leadership, academic strategy, inclusive curriculum design, English for Academic Purposes (EAP), English Medium Instruction (EMI), faculty development, and first-year student success work. Experienced in leading student support systems, strengthening teaching and learning, designing bespoke curriculum and assessments, and building globally minded, student-centered learning environments. Completing the National Professional Qualification for Headship (NPQH) in May 2027 and seeking senior leadership opportunities beginning July 2027.

- EAP and EMI program leadership
- Faculty development and professional learning
- Student success, transition, and academic support
- Admissions, assessment, and progression systems
- Safeguarding and student-centered practice
- AI and digital literacy in education
- International and cross-cultural leadership

## PROFESSIONAL EXPERIENCE

---

### New York University Shanghai, China

*Senior Lecturer, English for Academic Purposes • Aug 2018–Present*

*Progressed through Adjunct Faculty, Lecturer, and Senior Lecturer appointments*

- Design and deliver bespoke first-year EAP curriculum and assessments within a liberal arts, English-medium university context.
- Develop student-centered learning experiences strengthening communication, critical thinking, academic success, and global citizenship.
- Integrate experiential and community-based learning, connecting classroom learning with authentic professional and civic contexts.
- Contribute leadership in inclusive pedagogy, differentiated instruction, competency-based assessment, and curriculum innovation.
- Bring future-focused themes into academic programming, including sustainability, AI/digital literacy, and responsible global participation.

### Harrow International School Shanghai, China

*Director of Student Services, K-13 • Aug 2016–Aug 2018*

- Led strategic development and expansion of the Student Services Department, building a centre of excellence for language, learning, and inclusion support.
- Oversaw provision for students with disabilities, SEN, and English language support using CEFR, Cambridge English, GL assessment data, and internal data.
- Key member of the school leadership team: strategic and operational planning, student learning support and language support.

- Developed systems to monitor progression, coordinate transitions and placements, and ensure access to strong academic guidance across divisions.
- Partnered with families and colleagues through admissions screening, intervention planning, and student support meetings.

### **Dulwich College Beijing, China**

*Professional Development Coordinator | Head of EAL | English Teacher • Aug 2011–Jul 2016*

- Led EAL provision and professional development in a high-performing international school (BISY 2011; IB avg 37-38), aligning the EAL department and representing EAL on the Curriculum Committee.
- Designed admissions testing systems (NGRT, writing, listening, structured interviews); conducted 300+ interviews per year.
- Created a rolling PD plan and launched English for Parents, English for TAs, Language Enrichment Group, and school-wide EAL resource hub.
- Taught KS3 EAL, KS3 English, IGCSE EAL, IB English B, PSHE, intensive English; supported SEN provision and wider student development.
- Extended Essay Supervisor, CAS Supervisor, Year 11 mentor, Form Tutor, co-curricular contributor.
- Language Perfect team placed 3rd globally; student ranked 1st individually in 2014.

### **Bromsgrove International School, Thailand**

*Head of EAL | Head of Pastoral Years 7–13 | Head of PSHE • Jan 2007–Jun 2011*

- Combined academic and pastoral leadership across secondary years in an international boarding school setting.
- Led EAL and PSHE provision while supporting student wellbeing, transition, and whole-child development.
- Strengthened inclusive support for multilingual learners through coordinated academic and pastoral practice.
